

How to Set Up a Store on Lelemall Website or App

Setting up a store on Lelemall, whether through the website or mobile app, is a straightforward process. Follow these steps to create your own online shop and start selling:

1. Open Lelemall Website or Mobile App

- **Website:** Open your browser and type in Lelemall's web address.
- **Mobile App:** Download and open the Lelemall app from your app store.

3. Access the Seller's Page

- Once logged in as a vendor, you will be directed to the Seller's page.

The screenshot shows a dashboard for a seller. On the left is a navigation menu with the following items: Visit Store, Dashboard (highlighted), Orders, Products, Add New Product, All Products, Product Catalogs, Affiliate Products, Bulk Product Upload, Withdraws, and Settings. The main content area contains six summary cards:

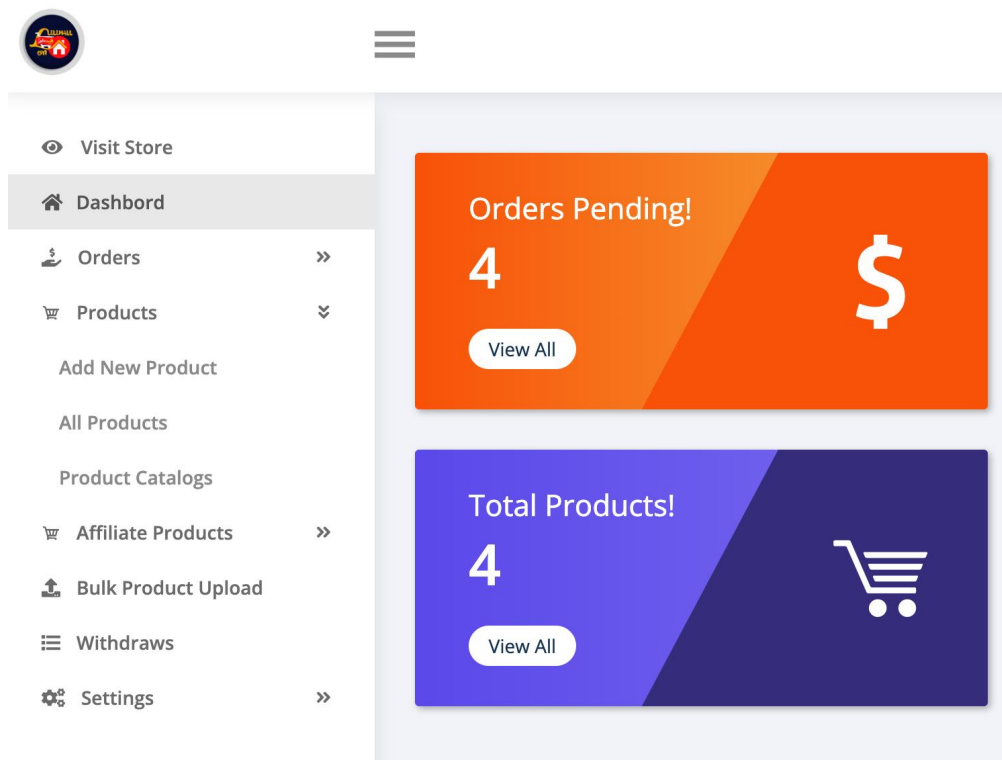

Card Title	Value	Icon	Action
Orders Pending!	4	Dollar sign (\$)	View All
Orders Processing!	0	Truck icon	View All
Orders Completed!	0	Checkmark icon	View All
Total Products!	4	Shopping cart icon	View All
Total Item Sold!	0	Shopping bag icon	
Total Earnings!	FCFA0	Dollar sign with checkmark (\$)	

4. Seller's Page Overview

On the left side of the Seller's page, you will see a navigation panel with the following options:

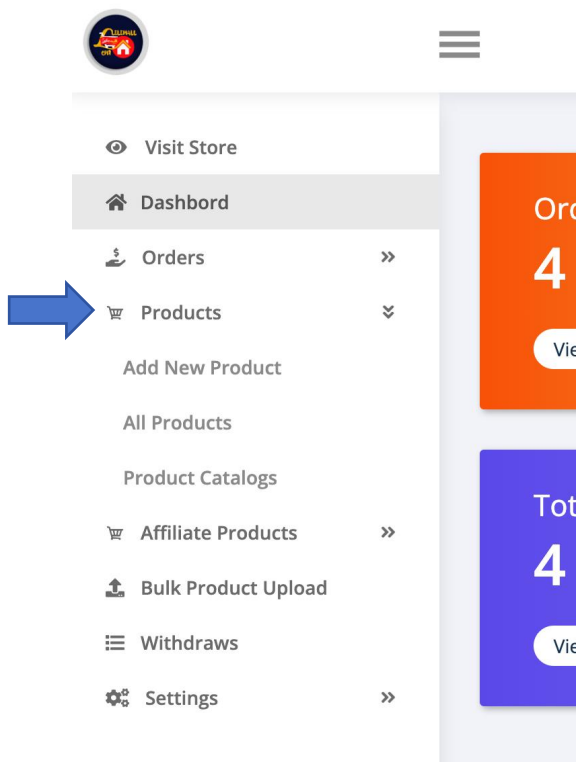

- **Visit Store:** Takes you to your online shop page.
- **Dashboard:** Provides analytics and metrics for your store.
- **Orders:** View and manage customer orders.
- **Products:** Manage your product listings.
- **Affiliate Products:** Manage products you are selling as an affiliate.
- **Bulk Product Upload:** Upload multiple products at once.
- **Withdraws:** Manage your earnings and withdrawals.
- **Settings:** Configure your store settings.

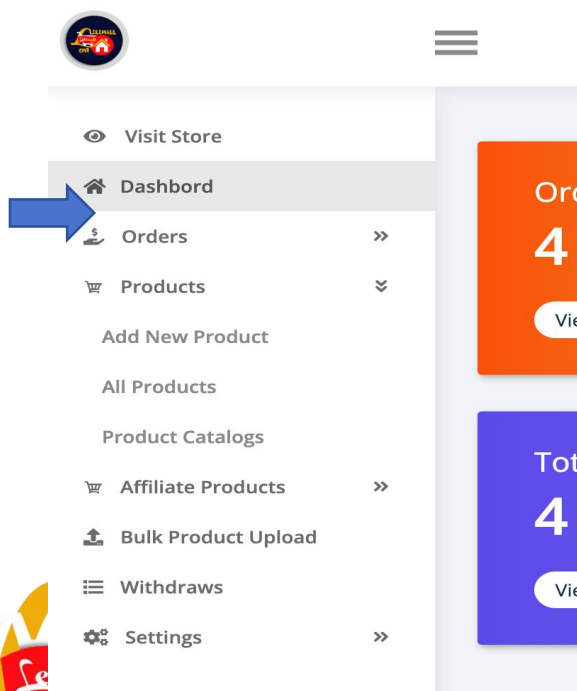

5. Adding a Product

To add a product to your store, follow these steps:

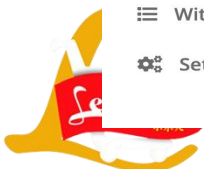

5.1. Navigate to the Products Section

- On the Seller's page, click on "Products" from the left panel to load the product management section.

5.2. Add a New Product

- From the dropdown menu in the left panel, click on "Add Product."
- This will open the "Add New Product" page.

Add New Product

Dashboard > Products > All Products > Add New Product

Product Types

5.3. Enter Product Information

- On the "Add New Product" page, select the product type by clicking on "Physical" to enter product details.

- Fill in all required product information, including name, description, price, and images.
